building blocks of public speaking: content, organization, and delivery. Topics addressed in this book include the character of the speaker, the selection of a topic, the process of persuasion, organizational patterns, introductions, verbal delivery and language, nonverbal delivery, and PowerPoint etiquette. This book is for both beginning speakers who want to learn the basics of presentational speaking and experienced speakers who would like to season their skills. The authors draw from their experiences as gospel preachers, collegiate speech teachers, and speech competitors to explain the principles and the practice of seasoned speech. Dr. Warner brings 50 years of classroom instruction and speech coaching to this book while Dr. Cummings infuses timeless Biblical principles with the latest communication theory.

The goal of this book is to help you create your own marking system that's easy to use. If you've tried other inductive study methods and found them too tedious then this book is for you. This book will show you how to mark your Bible with a simple, easy to remember method that will help you grow deeper in God's Word. Bible marking is an effective inductive method of Bible study. It can be simple or complex. It can be confusing or systematic. It can be haphazard or methodical. To get the most out of Bible marking it is best to be systematic and methodical, but it doesn't have to be complex. Many Christians want to mark in their Bibles but they're not sure how to mark and what to use. This

marking guide will teach you: \*Bible marking for deeper Bible study \*What marking tools to use for writing in your Bible \*12 marking techniques \*20 things to mark \*How to develop your own color code \*How to develop your own symbols

consumers. In addition to its flagship publication, Consumer Reports, Consumers Union also maintains several Web sites, including [www.ConsumerReports.org](http://www.ConsumerReports.org) and [www.ConsumersUnion.org](http://www.ConsumersUnion.org), and publishes two newsletters--Consumer Reports on Health and Consumer Reports Money Adviser--as well as many special publications.

### The Smart First-Time Home Buyer's Guide

New Society Publishers

Initially published in 1992, the Pearl Buying Guide was the first book to give consumers details on judging pearl quality and value. The 186 new colour photographs in this updated 6th edition show new types of pearls, clasps and jewellery styles. Current information has been provided on natural pearls, treatments, cultivation and identification techniques. Although

technical data is included to aid gemologists in detecting treatments and identifying pearls, the easy reading style and the 364 photos make this a customer-friendly book for both consumers and professionals. If you're looking for an easy-to-read, full colour, affordable pearl handbook that will help you select flattering pearls and spot fakes, this 6th Edition is the best choice available. 186 new photographs of pearls, pearl jewellery, neck pieces and pearl x-radiographs. Updated information on pearl types, geographic sources and freshwater pearls. Expanded chapter on natural pearls. Expanded chapter on "Creating Unique Pearl Jewelry with Colored Gems". New pearls and pearl jewellery styles.
