Workshop Calculus: Guided Exploration with Review integrates a review of basic pre-calculus concepts with the study of concepts encountered in a traditional first semester calculus course - functions, limits, derivatives, integrals, and an introduction to integration techniques. This two-course sequence is designed for students who are not prepared to enter Calculus I, but who need to develop mathematical skills for further study in the social sciences, natural sciences, or mathematics. The primary goal of the course is to help students develop firm conceptual understandings of the fundamental ideas in calculus, thereby enabling them to use calculus in other disciplines. Essential elements of Workshop Calculus include the emphasis on applications to enhance student motivation and the use of computers and graphing calculators to help explore mathematical ideas.

Once every five years, the Northern Clans of the Durupinen gather at Fairhaven Hall. There at the ancient castle, surrounded by the very spirits they are bound to protect and serve, the clans settle disputes and shape the laws that govern the Gateways to the spirit world. For the first time, Jess and Hannah Ballard have to represent their clan. It is an awesome responsibility - a great honor... and they are sure it's going to be the most boring week of their lives. Oh, how very wrong they are. For something dangerous is stalking the halls of Fairhaven. It lies in wait, striking down victim after victim, undetectable and inescapable. No one knows what it is, or what it wants, but one thing is clear: no one is safe until it is captured. As their fellow Durupinen fall victim one by one, it will be up to Jess and Hannah, the newest members of the Trackers, to solve the mystery before the entirety of the castle is possessed. Plague of the Shattered is the page-turning second installment in E.E. Holmes' spine-tingling paranormal series The Gateway Trackers.
